

# Shade Grown Coffee Origin Tour to Nayarit Mexico

## 5 Nights in Mexico beginning March 4, 2014

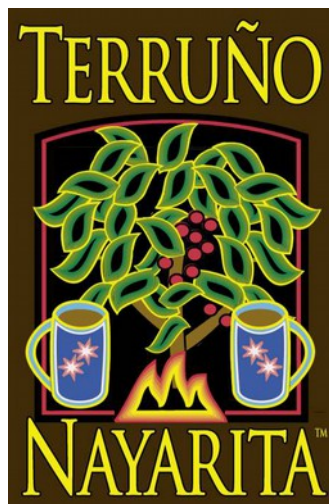

Join San Cristobal Coffee Importers founders Jim Kosalos and Devorah Zeitlin for an educational coffee adventure in neo-tropical Mexico. This visit to our associates, the members of the Rural Societies of Grupo Terruño Nayarita, to see their farms and the surrounding area is an excellent opportunity to understand the issues of sustainability, shade coffee, and certification. Experience all stages of coffee production from picking coffee cherries to export of fully traceable coffee.
